## **Caribbean Cup Dart Tournament Coming to Tampa**

**Tampa, FL (July 14, 2013)** – The Florida Dart Association, along with the Caribbean Darts Organization, will host the 20<sup>th</sup> Caribbean Cup Tournament July 14-20, 2014 at the Mainsail Suites Hotel and Conference Center in Tampa. The international event will bring up to 16 Caribbean countries, in addition to Florida, to compete for the renowned Caribbean Cup.

The bi-annual Caribbean Cup is an entertaining and diverse event made up of a wide cross-section of cultures throughout the Caribbean region and Florida. It has been rightly labeled as the best Darts tournament in the World by those who travel internationally playing darts. The top 13 players, eight men and five women, from each country engage in seven days of intense competition playing in both singles and group events.

For the first time in the event's history, the opening and closing ceremonies and finals events will be live streamed to the public. Dart Universe, a local Tampa organization, is donating their services to make this possible through their web site [www.dartuniverse.com](http://www.dartuniverse.com).

The Florida Dart Association invites major corporations, business owners, sports organizations, and foundations to show their support for this event. All tournament officials are volunteers who have been able to continue this prestigious tradition for over 33 years through generous contributions and dedicated professional dart players. Both organizations are proud to be partnered with the Tampa Bay Sports Commission, who is a key sponsor for the event.
